- NO RISK OF RUSTY ELECTRODE PLATES
- AOX USES 100% NATURAL BIO-MINERALS
- SGS Lab, AVA, WHO, FDA and KFDA
- TESTED 100% SAFE!

### BENEFITS

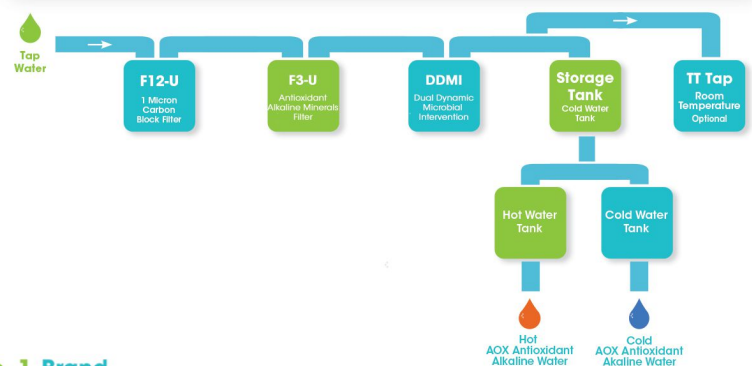

- **AOX** water contains powerful antioxidants. Antioxidants help protect our body from free radicals that can cause various health problems. Our body needs antioxidants to help combat the effects of free radicals in our environment.
- **AOX** water effectively balances the pH levels of the body. Our body tries to naturally maintain the acid-alkaline balance of our blood. However, when our body is overly acidic, our system has to work even harder to keep that balance. Keeping our body in a more alkaline state will boost our immune system.
- **AOX** water promotes better hydration and detoxification. AOX water has smaller molecular clusters making it easier for our body to absorb. This assists our body to function at optimum levels. Small clustered water has the ability to flush out toxins that are harmful to our body.
- **AOX** water has an abundance of negative ions. Negative ions increase the flow of oxygen to the brain resulting in higher alertness and more mental energy. Our blood cells are separated causing an increase in blood circulation. Not all alkaline waters are the same. Our powerful live blood analysis will show you this fact.
- **AOX** water helps in skin, nails, hair, joints and bones. AOX water contains silica which has long been a go-to supplement for the skin, hair and nails; vital to healthy joints, ligaments and cartilage; vital to bone health, preventing fractures as we grow older.

### DESCRIPTION

Ideal for offices, AOX-6288 is fitted with an elegant exterior while possessing a sizable tank that is perfect for an office setting. Hot water for an aromatic cup of coffee or cold water to cool down during a hot day, convenience is at your finger tips. In addition, AOX water gives a boost to the immune system, ensuring that staff fall sick less often, and increasing productivity levels. Available in either Ivory White or Piano Black. Optional: Add an Award Winning TT Tap for room temperature water.
