

Still using your Grandma's medicated oil?

Capacity: 8ml

Aromatherapy Ozonated Olive Oil

AO³ is made of pure organic first cold-pressed extra virgin olive oil, which underwent a 6-day Active Oxygen Infusion Process with added pure lavender and peppermint oil.

Its proprietary formula combines the natural moisturizing properties of olive oil with aromatic scent of lavender and cooling sensation of peppermint, to replace the traditional medicated oil. Use it for a quick relief from headache, muscle aches, rashes, cold-sores, insect bites, sinus, or even the unbearable eczema itch! It contains Vitamin A, D, E and K which are beneficial for treating skin conditions. Its strong antimicrobial properties help to strengthen the immune system and fight against viral and fungal infections. It is suitable for all ages, including infants and the elderly, as it is natural, and does not contain any preservatives.

AO³ 8ml bottle with roller is uniquely designed for ease of use. Handy, no spill! Bring along with you wherever you go!
